MEMBERSHIP BENEFITS

1. Purpose and Protections

This Association of Members declares that our purpose is to provide a sacred and protected platform for ministry, healing, education, and spiritual fellowship among its Members. The Association exists to facilitate ministerial, educational, and faith-based services, activities, and community exchanges between Members in the private domain, under the protections guaranteed by the Universal Declaration of Human Rights (UDHR), the Constitution of the United States of America, and all corresponding provisions within State Constitutions.

Within this protected space, Members may also offer or receive goods, services, or creative works through voluntary donation or trade in support of one another and the community as part of the Association's ministerial mission. All activities, offerings, and exchanges within the Association are conducted privately, by and between Members, for spiritual, educational, and community purposes in alignment with Divine law and the inherent rights granted by our Creator.

2. Foundational Rights and Freedoms

We believe that the Holy Scriptures, the Universal Declaration of Human Rights (UDHR), the Constitution of the United States of America, and the various Constitutions of the several States of the Union guarantee our Members the rights of absolute freedom of religion, free speech, petition, assembly, and the right to gather together for the lawful purpose of helping one another in asserting our rights protected by those Constitutions, Bill, and Statutes, in addition to the rights to be free from unreasonable search and seizure, the right to not incriminate ourselves, and the right to freely exercise all other unalienable rights as granted by our Creator, our Almighty God and guaranteed by those Constitutions, Bill, and Statutes.

3. Private Domain and Freedom of Association

WE HEREBY Declare that we are exercising our right of "freedom of association" as guaranteed by the Universal Declaration of Human Rights (UDHR), the Constitution of the United States of America and equivalent provisions of the various State Constitutions. This means that our Association activities are restricted to the private domain only and outside of the jurisdiction of government entities, agencies, officers, agents, contractors, and other representatives as provided by law.

4. Member Autonomy in Seeking Counsel

We declare the basic right of all of our Members to decide for themselves which Association Members could be expected to give wise counsel and advice concerning all matters including, but not limited to, physical, spiritual, and mental health care assistance, law, and any other matter and to accept from those Members any and all counsel, advice, tips, who we feel are able to properly advise and assist us.

5. Choice of Therapies and Assistance

We honor the inherent freedom of each Member to explore, experience, and practice the forms of healing, education, and spiritual development that best support their personal growth and wellbeing. Each Member retains the right to seek and participate in the modalities, teachings, and activities that resonate with their own discernment, for the purpose of achieving balance, wellness, and connection with the Divine. The Association provides a private environment in which such exploration and exchange may take place freely, among Members, without interference from outside authorities or commercial oversight.

I agree to join Prana Divine Healing Sanctuary, a Private Ministerial Association under common law, whose Members seek to help each other achieve improved spiritual health, better physical health, and good quality of life:

I am voluntarily changing my capacity from that of a public person to that of a Private Member. My activities within The Association are a private contractual matter that I refuse to share with the Local, State, or Federal investigative or Enforcement agencies. I fully agree not to pursue any course of legal action against a fellow Member of The Association, unless that Member has exposed me to a clear and present danger of substantive evil, and upon the recommendation and approval of the Association.

I understand that members, facilitators, teachers, and service providers within the Association may or may not be licensed professionals. My membership creates a private contractual, member-to-member relationship. I waive any HIPAA or similar statutory privacy complaint processes with respect to records maintained within the Association. Records will remain strictly confidential and released only upon my written request. I further agree not to hold the Association or its members financially liable for outcomes of services, education, or healing practices I choose to participate in.
